followed by Members' Business Debate on the subject of—

[S6M-13008](#) Maurice Golden: Urgent Action to Tackle Climate Change—That the Parliament considers that tackling climate change is one of the greatest challenges that the world faces and that Scotland set world-leading targets; is disappointed at reports that the Scottish Government has no credible pathway to meet the interim 2030 target, described as too stretching with just six years left to reach it; understands that the Scottish Government has failed to meet eight of its last 12 emissions targets; notes the belief that a draft climate change plan must be introduced with the utmost urgency; further notes the view that transformational policies must be introduced to tackle, mitigate and adapt to climate change, in line with just transition principles, and considers that this process, as part of the journey to a more circular economy, will have benefits for Scotland, including communities in the North East Scotland region, as well as contribute to the global effort in tackling climate change.

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
